Querida Encarna,  
A part of me died  
when I lost you.

I'll spend the rest of my  
life reminiscing every moment I spent  
with you, and the proof is this collection.

We always grew roots where the Mediterranean  
swings, we shared a coffee every evening  
for 18 years and you brought me the  
biggest comfort and love.

I'll never forget your fear of going into the  
sea but always refusing to stay away from  
it since you were born.

1/2

How you always managed to spill  
coffee every single evening while  
we watched your favorite shows, that  
I'll have to finish watching for the  
both of us.

And I will never forget how much  
love you had to give despite losing  
the love of your life over 40 years  
ago.

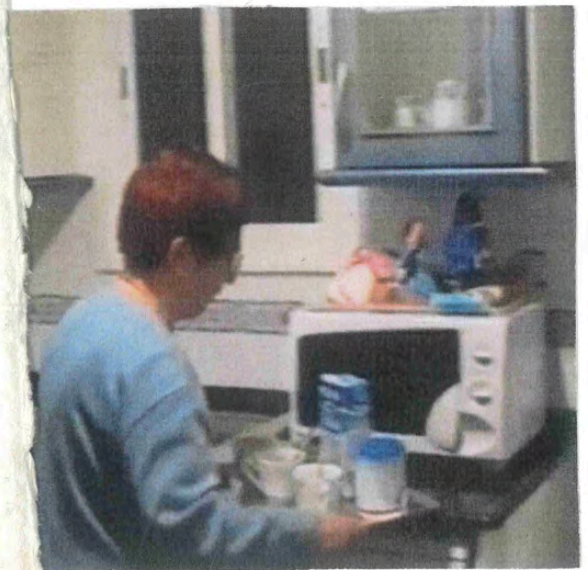

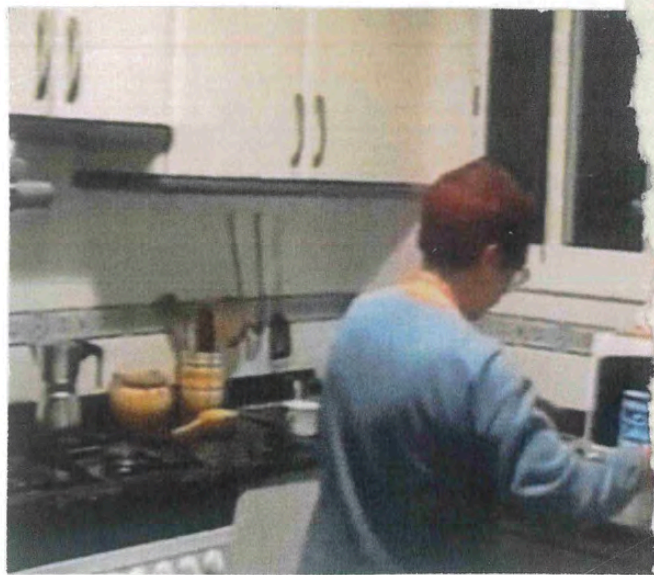

This is all for you, thank you for  
loving and raising me.

Te quiero ♡

-Marta. ♡
