

"ONLIEST"

A ONE-OFF UPCYCLED CAPSULE

Initial concept
as a patchwork
shirt

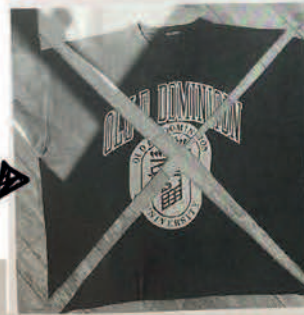

“ONLIEST”

A ONE-OFF UPCYCLED CAPSULE

Cut vintage garments into geometric shapes

Exploring different pieces combinations + placements

Rough drapes

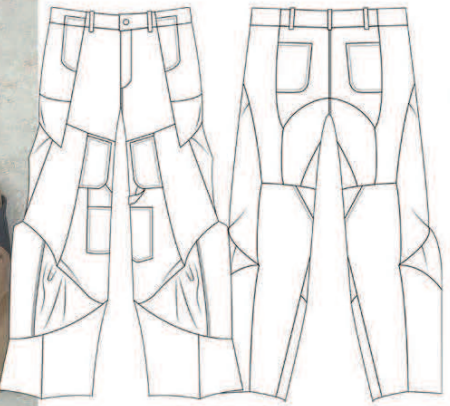

"ONLIEST"

A ONE-OFF UPCYCLED CAPSULE

Started from mixing up a selection of vintage canvas trousers into geometric shapes

Experiment with different colour contrast panel as test how each pattern reacts with one another.

Using calico to work out
to work out
~ pattern piece
for the 'fitting'

FRONT

BACK

Disecting the
trousers through
the inseam
+ Remove pockets

original pants
before deconstruct

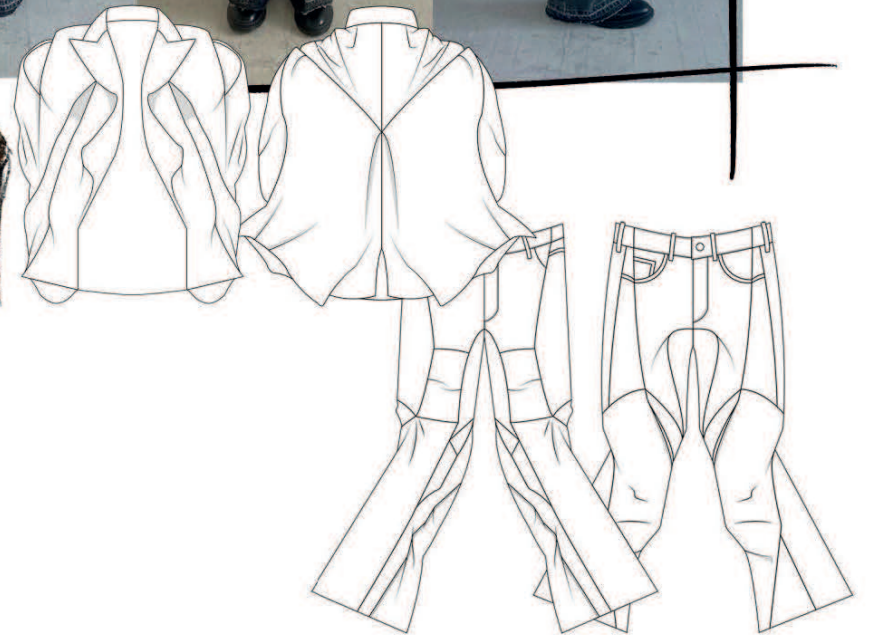

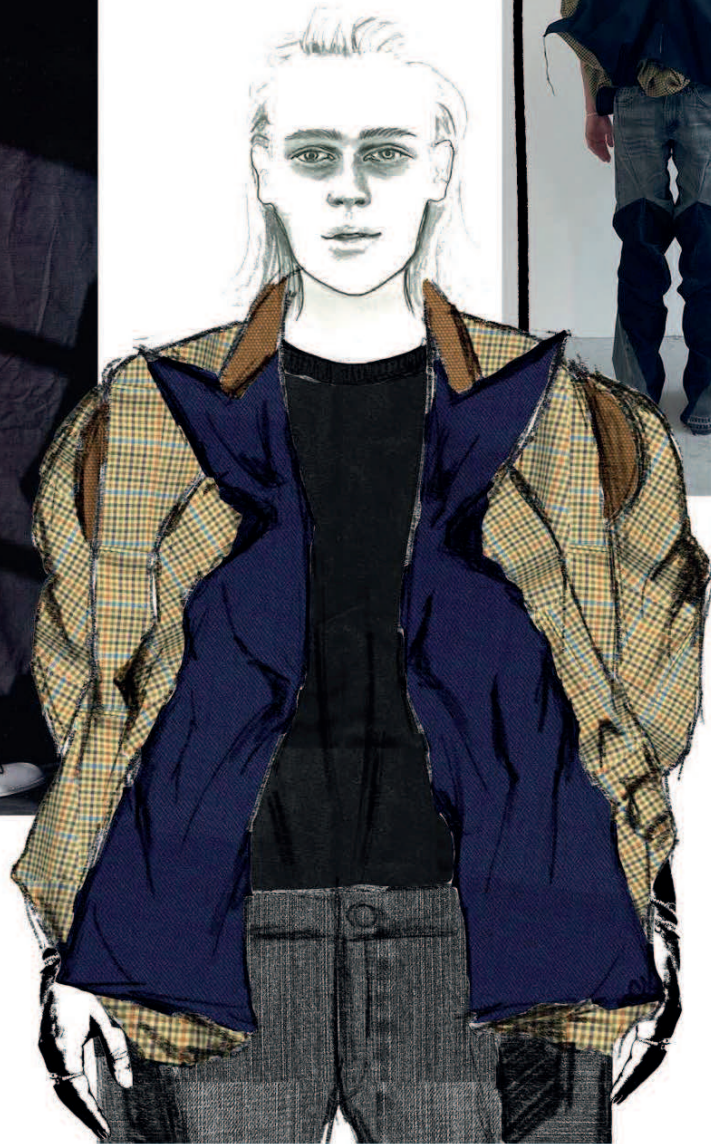

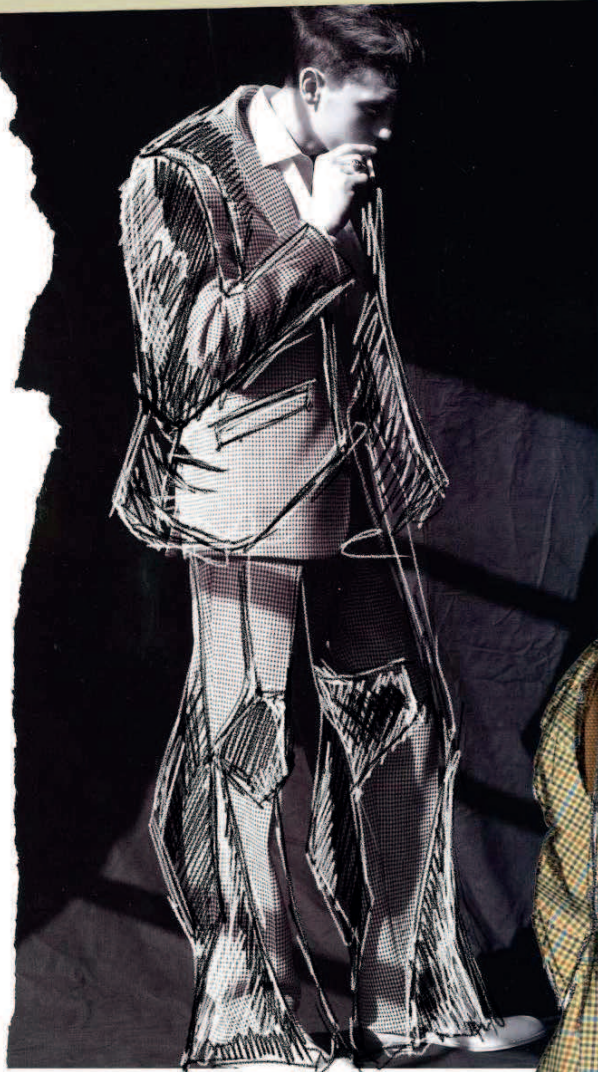

grey denim
volume on side +
back profile.
black corduroy
lined by

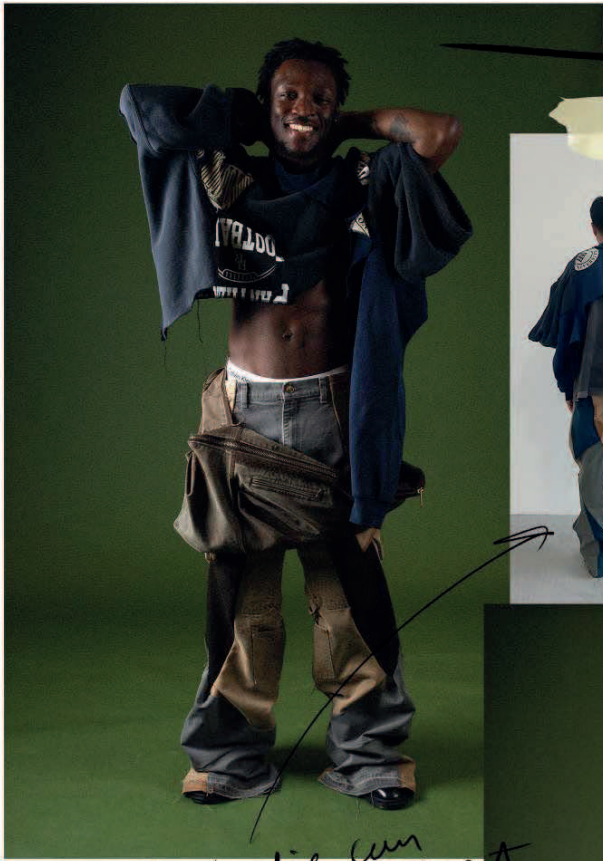

pinning pieces
together directly
on the mannequin
to see how it
drapes

“ONLIEST”

A ONE-OFF UPCYCLED CAPSULE

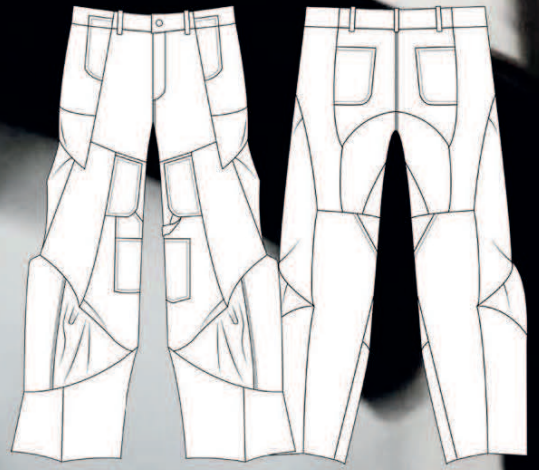

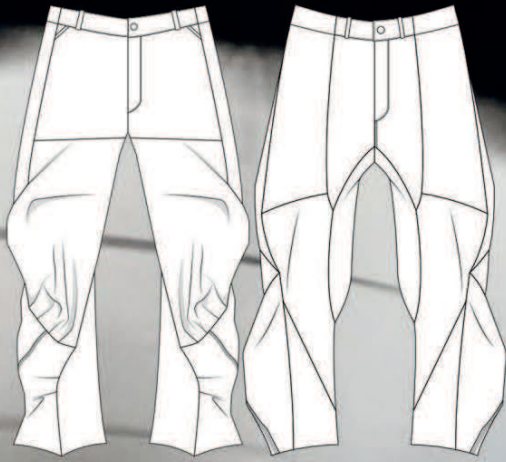

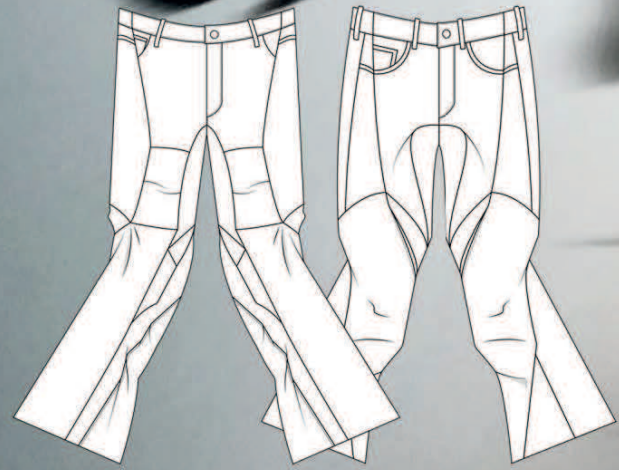

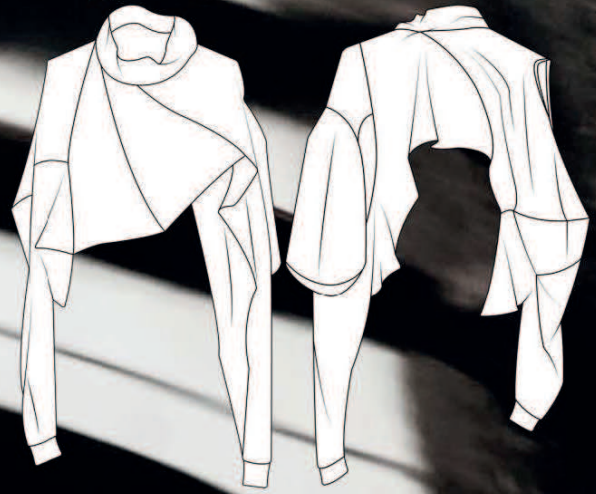

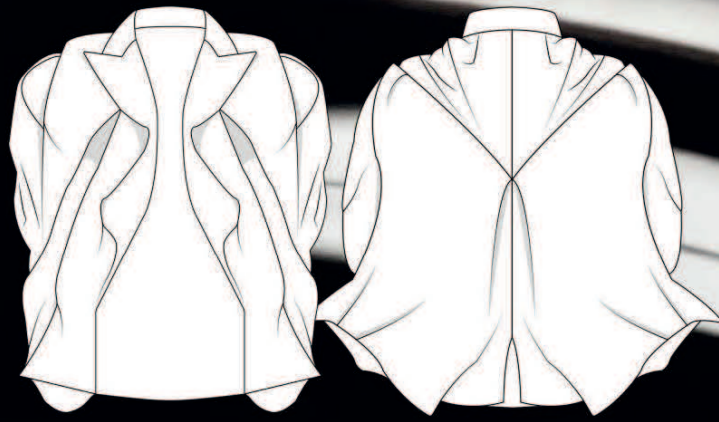

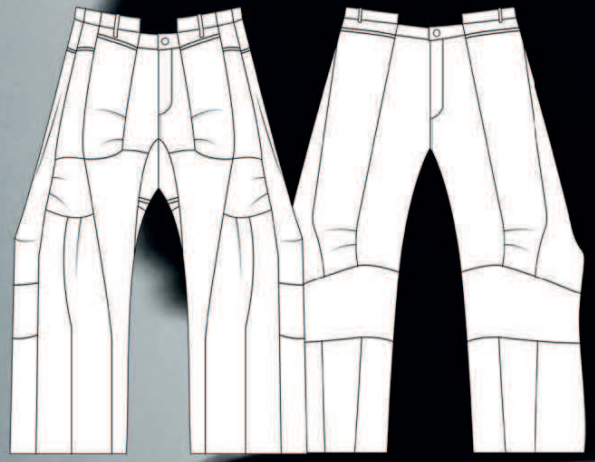

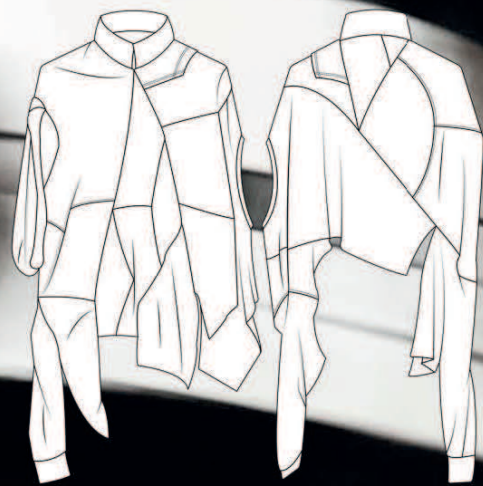

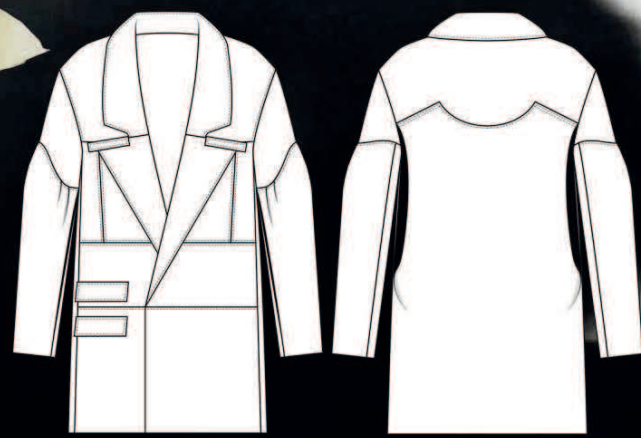

*the hoodie can
be worn in different
ways as desired for
styling*
