

Flicking
through the
Photo
album

This concept is based around the familiarity around growing up, seeing and remembering things around you however aging memory somewhat distorts what we can recall. My concept focuses on family photos and looking at Blair G. Print to inform my decision making.

COLOUR AND FABRICATION

2001

This tape is a key part of my childhood at my grandpa's - nostalgia - memory

Christmas 03

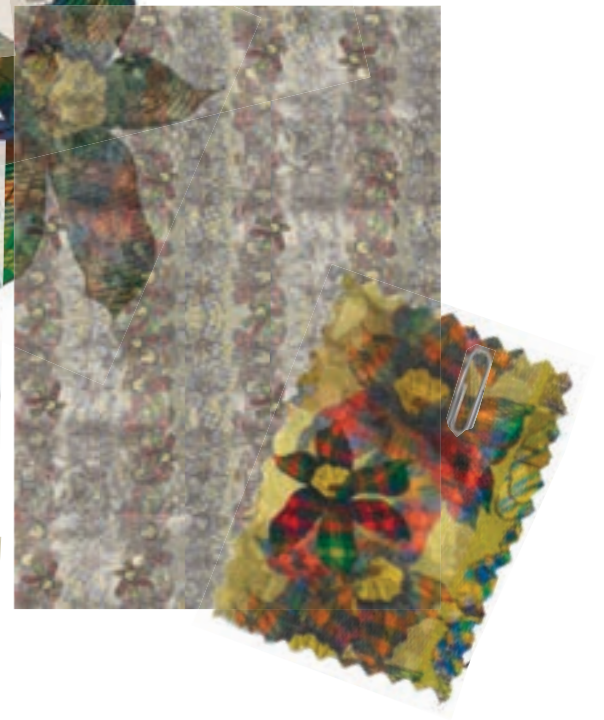

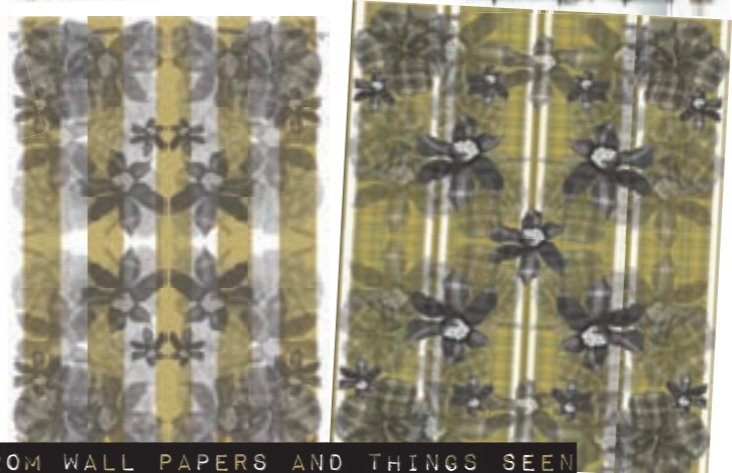

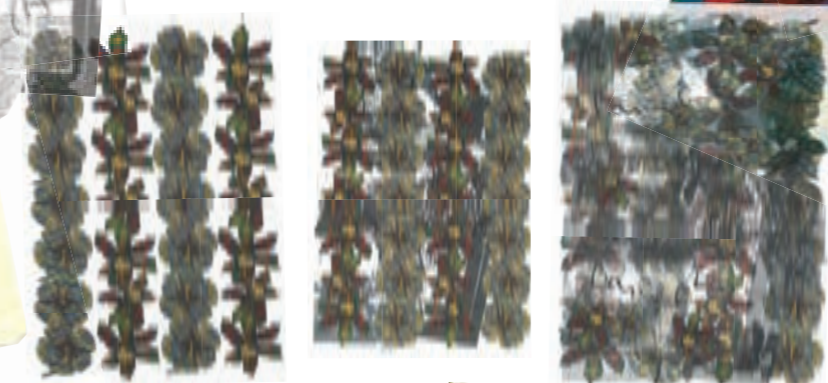

Over the top of it and deeper

Started with Purple for Sentimental Value as nana's favourite colour.

Piper greets guests

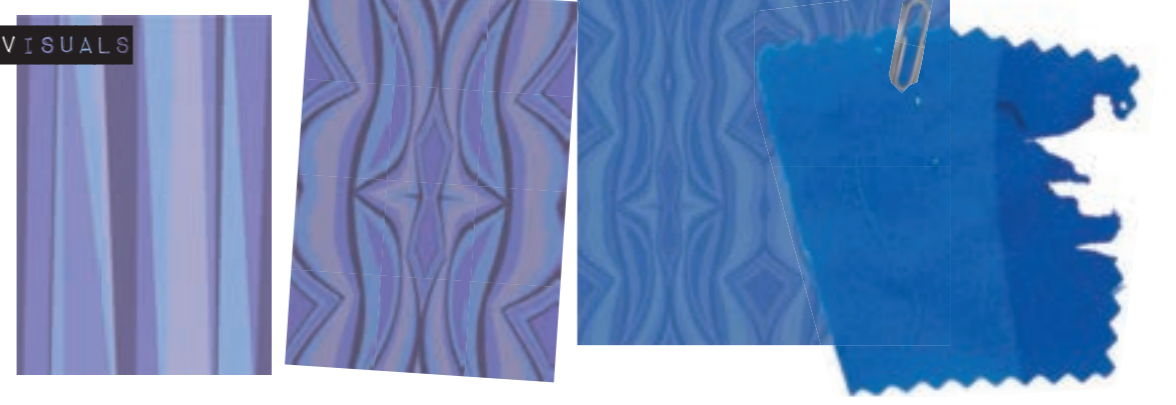

They wore pink with pink and white... Piper greets guests... Piper greets guests...

Dear Papa
 I'm glad
 to hear
 you're
 going to
 see Aiken
 and to go on
 a jet ski.
 See you soon
