BRIONY BISSELL

THESE GHOST-LIKE STRUCTURES CELEBRATE EXPOSING WHAT'S HIDDEN BENEATH. ORIGINATING IN CONCEPT FROM CHARLES JAMES'S COLOURED UNDERGARMENTS THAT CHALLENGED CONVENTIONS OF DRAPE AND TAILORING AT THE TIME . WITH A FOCUS OF USING THE INHERENT PROPERTIES OF HAND-CRAFTED, BESPOKE WOVEN PIECES, PRINTED ORGANDIE AND LAYERING MULTICOLOURED NET WITH CHIFFON MANIPULATIONS TO CREATE A COLLECTION THAT REFLECTS ON WHAT CONTEMPORARY DRAPE IS TODAY. THE COLLECTION EXPLORES A MORE ORGANIC AESTHETIC BY ALLOWING THE FABRICS TO LEAD RATHER THAN BEING PURPOSEFULLY PLACED.

VOLUME CREATED THROUGH
LAYERING

weaves are heavy/pull down sleeves
may need strap adding a back

Weaves are hidden by how low the shoulder
drape goes could add tuck to lift the chiffon
to expose the weave
